Subject: Recommendation of Expert Panel (Phase -2) on project proposal No. DST/TMD/EWO/WTI/DM/2021/20 (Applied Research Stream) submitted by Dr. Monika Sogani.- Manipal University Jaipur, Jaipur (Rajasthan).

Dear **Dr. Monika Sogani**,

Thanks for submitting your proposal No. **DST/TMD/EWO/WTI/DM/2021/20** against the WTI Call on Desalination Technology under the **Applied Research Stream** titled " **Providing low-cost solution and appropriate management framework for the reject disposal of Community-based RO Plants in many areas of Rajasthan** ", kindly note that based on your presentation to the experts dated **17th May 2022**. The Expert Panel has **recommended your proposal subject to the following**:

- o The project team should focus on the microbial cell of the proposed work and address the wetland issue.
- It was also suggested to validate the proposed work with real samples.
- Based on the above recommendation, the proposal is **Recommended for support**

with a reduced budget (up to 80 lakhs excluding overheads)

Kindly submit the revised proposal/budget (if required) as per the above recommendations made by the Expert Panel Committee. And also get back to us with a response on the following:

1. Scanned copies of the quotations for the permanent equipment and SoR for civil works (if any): Please make sure there is no significant variance in the amount proposed in the budget in the revised proposal and quotations of the respective equipment.
2. Please note as per GFR 2017 rules and norms, the goods (consumables/equipment) available in GeM portal are to be procured mandatorily online through GeM only and **accordingly quotation may be submitted.**
3. **Manpower section of the budget can be revised as per the revised fellowship norms if not done already.** The DST OM. No. SR/S9/Z-08/2018 dated 30.01.2019 and DST OM. No. SR/S9/Z-05/2019 dated 31.08.2019 is also attached in scanned form for your reference, please.
4. Scanned copies of the quotations for the Consumables/another cost: Please provide a year-wise break for the funds required under the consumables head with an estimated cost in a tabular manner for each item. Kindly also provide quotations and details of consumables such as chemicals, utensils, accessories etc.
5. In Reference to the **Innovation Technology, Development, and Deployment Scheme (ITDD-1819)** of DST and its implementation under the Treasury Single Account (TSA). You are requested to Open a **Zero Balance Subsidiary New Account** for **each project** (for scheme ITDD-1819) in the **Union Bank of India (UBI)**, located nearby. For any queries may please contact.

a) First Contact: Shri Dindayal Mishra, Senior Manager, UBI, New Delhi @ Mob: **+91-7411403225**, Email: dindayalmishra@unionbankofindia.bank

b) If required one may also contact Shri Amit Kumar Pati, AGM-GBD, UBI, @Mob: **+91-8178999731**, Email: akpati@unionbankofindia.bank

6. Bank Details of the Lead organization and the other partnering institutes (if any) that will be receiving funds:

S.No.	Information	Details
a.	Name of the Account Holder as per Bank	
b.	Name of the Bank	UNION BANK OF INDIA
c.	Name of the Branch and address	
d.	IFSC code	

e.	Account number	
----	----------------	--

7. Please get back to us with the response on the above at the earliest (**preferably by 15th September 2022**) to initiate processing for financial approval from DST.

Thanking you for associating with us, a line of confirmation will be highly appreciated.

With Regards
Sanjai

Respected sir,

I'm delighted to inform you that our project has been approved. Manipal University Jaipur, Rajasthan University, and Kashi Institute of Technology are working together on this.

Thank you so much for providing me with all kinds of support

With regard
Dr. Kumar Sonu

Tue, Sep 6, 2022 at 6:28 PM

Dear Sir,

Greetings from department of Mechanical Engineering,

I would like to share with you that, a grant of about Rs. 80.0 Lacs plus overheads have been principally approved by DST, Govt. of India as per the trailing mail. The Manipal University, Jaipur is the lead partner in the collaborative project. The University of Rajasthan, Jaipur and Kashi Institute of Technology, Varanasi.

The trailing mail has listed the requirements to be completed and to be submitted to DST, Govt. of India before 15th September by the partnering institutions for issuance of financial sanction and fund transfer from DST. Point no. 5 and 6 of the trailing mail, has prescribed that Kashi Institute of Technology need to open a zero balance account (Zero Balance Subsidiary New Account for each project in Reference to the Innovation Technology, Development, and Deployment Scheme (ITDD-1819) with nearby Union Bank of India (UBI) branch.

I would like to request you to please go through the trailing mail and do the needful as per the mandatory requirements so that the details may be furnished to the DST before September 15, 2022.

Many thanks and best regards,

Dr. Kumar Sonu
