## Syllabus ...

The syllabi followed in Kashi Institute of Technology is as per the reputed Dr. APJ Abdul Kalam Technical University, Lucknow. Affiliation with AKTU makes the syllabi of the various courses being taught in our institute at par with National Standards and conform to the AICTE guidelines. The university keeps revising the syllabi of the various courses on a regular basis to create able professionals who can contribute towards the growth of the rapidly evolving corporate world.

Apart from the regular syllabi, the institute also endeavors to impart various trainings and additional courses that enhance the skills of the students and make them ready to meet the challenges of the global workplace.
