Report

The HDFC Bank in collaboration with BHU Blood Centre, Sir Sunder Lal Hospital organized a blood donation camp in Kashi Institute of Technology, Varanasi, on 11th Dec 2023. The camp began at 10.30 a.m. with a short inaugural function where in Mr. Sandeep Kumar, Head of department of Pathology and blood bank. Dr. Ashutosh and his eight-member team was given a floral welcome. Dr. A. K Yadav, Deputy Director, KIT expressed his gratitude to the team for its continuous endeavor in this regard.

Dr. Ashutosh of Sir Sunder Lal Hospital stressed on the growing need of blood in the state and commended the young volunteers for their noble act. In the beginning of the camp, the students got themselves registered by filling the form, after this all the students were weighted and after that blood test was done. Students Volunteers played an important role in the blood donation camp. The blood donors were given Apple, Biscuits and Frooti after donating the blood in order to reenergize themselves.

Blood donation camp was a huge success. Over 100 donors were willing to donate their blood, but amongst them 63 were able to donate the blood. Students and faculties enthusiastically contributed in the camp. Total 63 Units of blood were collected during the camp. Students Volunteers also conducted an awareness campaign in the campus in which the misconceptions related to blood donation and the benefits of blood donation were also made aware to everyone.

To,

The In charge,

Sir Sunderlal Hospital Varanasi

Date: 09/12/2023

Subject: - Organizing a Blood Donation Camp at 'Kashi Institute of Technology, Varanasi' on 11th December, 2023

Respected Sir,

This is to inform you that Kashi Institute of Technology, Varanasi' is going to organize a Blood Donation Campaign. The camp details are as follows:

Venue: Kashi Institute of Technology, Mirzamurad, Varanasi,

Time and Date: 11:00 am to 4:00 pm, 9th December, 2023 (Monday).

We request you to support us with bags and beds required for the blood donation, along with necessary apparatus to HB level, thermal screening instruments, weighing machine and blood pressure before donation, refreshments for donors and medicines in case of any mishap occurring during the camp. Kindly be present at the venue by 10:45 am. All safety precautions and social distancing measures must strictly be followed. All the staff must be wearing masks and gloves. Hand sanitizers should also be provided during the camp. We request you to check the HB level, weight and thermal screening of every male/female donor prior to donation and also provide an acknowledgment letter for the overall units collected during the camp. We also request you to provide certificates to the donors as it ensures donor satisfaction.

Regards,

Dr. Puja Gope 9/12/23
