Date- 11/01/2024

Notice

All the B.Tech 1st year students are hereby informed that depending on the slot result few remedial classes for all subjects will be arranged by the department for weak students from 16/01/2024-20/01/2024 respectively.

Head of the department
Applied Science & Humanities

A) Steps taken for Slow Learners:

- Faculty members list the non-performing students/slow learners and monitor their progress.
- Faculty coordinates with parents of slow learners to resolve their special needs.
- Mentor-mentee interactions in departments keeps faculty in constant touch with students and addresses academic and personal issues.
- Academic problems are addressed in tutorial classes (remedial sessions conducted)

Progress Report: -

In 2023-24 batches we found slow learner students performance report from different faculties on the basis of internal assessment (sessional examination & PUT Examination),

On the basis of assessment, we found above mentioned students need proper guidance & regular assessment that's why we conducted remedial classes in a week for slow learners.

After 1 month of assessment, we found slow learner started gaining knowledge and they perform better as compared to last.

B) Steps taken for Advanced Learners:

- KIT academic Scheme involves various projects/practical/programmes to improve critical thinking and 'hands on' experimental work
- Semester toppers, university rank holders are felicitated on Annual Day.
- Motivated to take up leadership roles in department/society activities to develop organizational skills and to inculcate the value of teamwork.
- Students are boosted to participate in International/national conferences/seminars /workshops and make presentations, write papers.

Progress Report: -

In 2023-24 batches we found few advance learner students on the basis of class assessment report from different faculties, Class test, sessional examination, PUT examination. On the basis of assessment, we found mentioned students are good in academic & skills. We found they all can be a responsible with leadership quality so we assign task related to the activity, sports, event, and as representative of class.

Ref. No.- KIT/ departmental notice/2024/29

Date- 06/07/2024

Notice

All the B.Tech 1st year, 2nd semester students are hereby informed that depending on the PUT result a remedial classes for all subjects will be arranged by the department for weak students from 08/07/2024 to 20/07/ 2024 respectively.

Presence of all is mandatory.

Head of the department

Applied Science & Humanities

A) Steps taken for Slow Learners:

- Faculty members list the non-performing students/slow learners and monitor their progress.
- Faculty coordinates with parents of slow learners to resolve their special needs.
- Mentor-mentee interactions in departments keeps faculty in constant touch with students and addresses academic and personal issues.
- Academic problems are addressed in tutorial classes (remedial sessions conducted)

Progress Report: -

In 2023-24 batches we found slow learner students performance report from different faculties on the basis of internal assessment (PUT Examination), On the basis of assessment, we found above mentioned students need proper guidance & regular assessment that's why we conducted remedial classes in a week for slow learners.

After 1 month of assessment, we found slow learner started gaining knowledge and they perform better as compared to last.

B) Steps taken for Advanced Learners:

- KIT academic Scheme involves various projects/practical/program to improve critical thinking and 'hands on' experimental work.
- Semester toppers, university rank holders are felicitated on Annual Day.
- Motivated to take up leadership roles in department/society activities to develop organizational skills and to inculcate the value of teamwork.
- Students are boosted to participate in International/national conferences/seminars /workshops and make presentations, write papers.

Progress Report: -

In 2023-24 batches we found few advance learner students on the basis of class assessment report from different faculties, Class test, sessional examination, PUT examination,

On the basis of assessment, we found mentioned students are good in academic & skills. We found they all can be a responsible with leadership quality so we assign task related to the activity, sports, event, and as representative of class.

Time Table For Remedial Classes

KASHI INSTITUTE OF TECHNOLOGY, MIRZAMURAD - VARANASI
Session 2023- 24 Even Semester

| R.N.:- LRA001,LRA002,LRA101,LRA102 | | B. Tech, 1st Year , (2 nd Semester) | | | | Sec :- A,B,C,D | | | |
|---------------------------------------|-----------------|---|-----------------------------|-----------------------|------------------|---------------------|-----------------|---------------------|---------------------|
| Lecture | 1st | 2nd | 3rd | | 4th | 5th | 6th | 7th | 8th |
