2204280310015	VASHITVA CHAURASIA	ECE	44	Advance	Recommended to attend MOOC/NPTEL class

**Date- 05/02/2024**

## **Notice**

All the B.Tech EC- 2<sup>nd</sup> year students are hereby informed that depending on the Mid Term result, few remedial classes for the some difficult subjects have been arranged by the department for weak students from **05/02/2024** respectively.

Head of the Department  
Electronics & Communication Engineering

### **A) Steps taken for Slow Learners:**

- Faculty members list the non-performing students/slow learners and monitor their progress.
- Faculty coordinates with parents of slow learners to resolve their special needs.
- Mentor-mentee interactions in departments keeps faculty in constant touch with students and addresses academic and personal issues.
- Academic problems are addressed in tutorial classes (remedial sessions conducted)

### **Progress Report: -**

In 2023-24 batches we found 9 slow learner students performance report from different faculties on the basis of internal assessment (sessional examination & PUT Examination),

On the basis of assessment, we found above mentioned students need proper guidance & regular assessment that's why we conducted remedial classes in a week for slow learners.

After 1 month of assessment, we found slow learner started gaining knowledge and they perform better as compared to last.

### **B) Steps taken for Advanced Learners:**

- KIT academic Scheme involves various projects/practical/programmes to improve critical thinking and 'hands on' experimental work
- Semester toppers, university rank holders are felicitated on Annual Day.
- Motivated to take up leadership roles in department/society activities to develop organizational skills and to inculcate the value of teamwork.
- Students are boosted to participate in International/national conferences/seminars /workshops and make presentations, write papers.

## **Progress Report: -**

In 2023-24 batches we found few advance learner students on the basis of class assessment report from different faculties, Class test, sessional examination,PUT examination,

On the basis of assessment, we found mentioned students are good in academic & skills. We found they all can be a responsible with leadership quality so we assign task related to the activity, sports, event, and as representative of class.

Session: 2023-24

Semester: 3<sup>rd</sup> ECE

**MR. VASHITVA CHAURASIA**

Has Successfully Completed  
the Arduino Course in September 2023  
Organized by IIP in association with Abhyuday IIT Bombay

CERTIFICATE NO.

5	9	2	4	4	1
---	---	---	---	---	---

SANJIV MITTAL

Director

INDIAN  
INSTITUTE OF  
PLACEMENT

## Certificate Of Participation

THIS IS TO CERTIFY THAT

**Shreya Pathak**

has successfully attended a 2 day Placement Preparation Programme on  
May 3rd, & 4th, 2024, organised by IIP in association with Abhyuday IIT  
Bombay.

A handwritten signature in black ink, appearing to read "Sanjiv Mittal".

SANJIV MITTAL

*Director*

1	2204280319002	SHUBHAM KUMAR PANDEY	ECE	19	Slow	Recommended to attend remedial class
2	2104280310002	ASHISH RANJAN	ECE	75	Advance	Recommended to attend MOOC/NPTEL class

**Date- 11/05/2024**

## **Notice**

All the B.Tech 3<sup>rd</sup> year students are hereby informed that depending on the slot result few remedial classes for all subjects will be arranged by the department for weak students from **13/05/2024**.

**Head of the department**  
Electronics and Communication Engineering

### **A) Steps taken for Slow Learners:**

- Faculty members list the non-performing students/slow learners and monitor their progress.
- Faculty coordinates with parents of slow learners to resolve their special needs.
- Mentor-mentee interactions in departments keeps faculty in constant touch with students and addresses academic and personal issues.
- Academic problems are addressed in tutorial classes (remedial sessions conducted)

### **Progress Report: -**

In 2023-24 batches we found 1 slow learner students performance report from different faculties on the basis of internal assessment (sessional examination & PUT Examination),

On the basis of assessment, we found above mentioned students need proper guidance & regular assessment that's why we conducted remedial classes in a week for slow learners.

After 1 month of assessment, we found slow learner started gaining knowledge and they perform better as compared to last.

## **B) Steps taken for Advanced Learners:**

- KIT academic Scheme involves various projects/practical/programmes to improve critical thinking and 'hands on' experimental work
- Semester toppers, university rank holders are felicitated on Annual Day.
- Motivated to take up leadership roles in department/society activities to develop organizational skills and to inculcate the value of teamwork.
- Students are boosted to participate in International/national conferences/seminars /workshops and make presentations, write papers.

## **Progress Report: -**

In 2023-24 batches we found few advance learner students on the basis of class assessment report from different faculties, Class test, sessional examination, PUT examination,

On the basis of assessment, we found mentioned students are good in academic & skills. We found they all can be a responsible with leadership quality so we assign task related to the activity, sports, event, and as representative of class.

## Remedial Time table

Session: 2023-24

Semester: 6<sup>th</sup>

Time	8:55-9:50	9:50-10:45	10:50-11:45	11:45-12:35	1:30-2:15	2:15-3:00	3:05-3:50	3:50-4:35
