## **A Report on One Day Industrial Visit to UPRVUNL OBRA Uttar Pradesh**

The Department of Electrical & Electronics Engineering organized a one-day industrial visit to **Uttar Pradesh Rajya Vidyut Utpadan Nigam Limited (UPRVUNL)** on **January 11, 2023**. The visit aimed to provide students with a practical exposure to the functioning of a prominent power generation company and to enhance their understanding of the electrical and electronics aspects of power plants and to bridge the gap between theoretical knowledge gained in classrooms and practical implementation in an industrial setting.

A brief history of the visit is as follows;

The visit is started early morning at 07:00 am from college Campus and reached at UPRVUNL by 12:00 Noon. After arrival at UPRVUNL, students were welcomed by UPRVUNL officials. In inaugural session, UPRVUNL experts delivered technical presentations on various aspects of power generation, focusing on the role of electrical and electronics engineering. Topics covered included power plant automation, control systems, electrical distribution, and the integration of renewable energy sources.

After the technical presentation, students were divided into groups and taken on a guided tour of the UPRVUNL power generation units. Throughout the visit, students had the opportunity to engage in interactive sessions with UPRVUNL engineers and professionals. Discussions covered challenges faced in power generation, advancements in technology, and career opportunities in the electrical and electronics engineering domain. A question-and-answer session allowed students to seek clarification on technical aspects and gain insights into the industry from experienced professionals.

At last, the organizing team expresses gratitude to UPRVUNL officials for their hospitality and cooperation in facilitating a valuable learning experience for the students and special thanks to Vice Chairman Shri Vipul Jain Sir, Director Gaurav Sinha Sir, Deputy Director Dr. A Y Yadav Sir and Dean Academic Dr. D M Srivastava Sir, for allowing and providing such a wonderful opportunity to the students. Such industrial visits play a pivotal role in shaping the future engineers and professionals, fostering a strong connection between academia and industry.

**Mr. Pappu Kumar**

**Industrial Visit – Coordinator**

**Mr. Virendra Pratap Yadav**

To,  
The Director,  
Thermal Training Institute (TTI)  
Obra, Sonbhadra

**Subject: Seeking Permission for One Day Industrial Visit.**

As you may be aware, **Kashi Institute of Technology, Varanasi (a NAAC Grade –A recognized Institute)** is one of the most reputed Engineering Institute in Uttar Pradesh and known for its excellent record in academics and co-curricular activities. The Institute offers Bachelor's degree courses in ECE, CSE, EN, ME, CE and Master degree courses in Business Administration and Computer Application. The state-of-the-art facilities and competent faculty provide an excellent climate for the all-round development of the students.

As a part of our academic curriculum, engineering students are expected to visit some prominent industries/organizations for an exposure to the latest trends. Consequently, the 2nd-year students of Electrical & Electronics Engineering branch of our college, desire to visit your Thermal Power Station, preferably, in **2<sup>nd</sup> week of January 2024**. The **total number of students would be approximately 40** accompanied by **three faculty members**. We believe that this experience will greatly benefit their understanding of the power generation and distribution and potentially inspire future career choices.

Therefore, we request your necessary permission for the above visit and support for guiding the students. We would greatly appreciate your support to making this educational opportunity possible for our students.

We assure you that our students will observe the rules and regulations that are prescribed by your organization for the visitors and will in no way disturb the functioning of the organization during the visit.

We shall be grateful for a favorable response.

Thank You!

**Yours Sincerely**  
**Virendra P Yadav**  
(Head, EN/EC)
